Terms of Business

Funerals are made up of two types of cost. Fees for the Funeral Director's services and disbursements.

Disbursements are payments made by us to third parties on your behalf and include, for example, crematorium or cemetery fees, minister or officiant fees, doctors' fees for cremation certificates, floral tributes. We will send an invoice for these fees.

We request that disbursement fees are paid prior to the funeral taking place, plus a deposit of £1,000 towards our costs.

Any invoice for the remaining fees is sent one week after the funeral and payment is due within 28 days of the date of the invoice. If the account remains unpaid after this date, we reserve the right to levy interest at a rate of 4% above our bank's base rate from time to time in force.

The total charges for our Basic and Direct Transfer funerals must be paid in advance.
